

# 2021 Member Programming

Kendall Square Association enables the future by connecting the people changing the world.

## Annual Meeting

April 13

- \* This celebratory event spotlights the successes of our innovation ecosystem as it pioneers solutions to global problems and leads the charge against COVID-19
- \* Open to anyone interested in attending, drawing employees from across Metro Boston and beyond

## Inclusion Drives Innovation

March 16 to May 18

- \* This ten-week professional development program gives leaders the tools and knowledge they need to build anti-racist organizations
- \* Participants include senior executives, people managers, HR professionals, diversity specialists, and affinity group leaders

## Future of (how we) Work Task Force

Monthly

- \* This monthly, topical meeting answers critical questions in the wake of COVID-19 through collaborative, real-time problem solving and benchmarking
- \* Attended by senior leaders from Kendall's tech and life science industries

## Transportation ADVANCE

Quarterly

- \* These quarterly convenings build on KSA's work to help employers address common challenges in enabling sustainable and convenient commutes for their employees
- \* During the COVID-19 pandemic this group has pivoted to share best practices on commuting for essential employees, working from home and planning for large-scale return to work

# New Member Programming

## Kendall Orientation

Quarterly

- \* This interactive presentation highlights the place and perspective that is Kendall by taking you on a virtual walk through its past and present achievements and assets, followed by moderated networking to establish new connections
- \* Designed to help onboard new, remote talent to Kendall companies and further engage existing talent in the magic of Kendall

## Kendall on the Frontline

Series

- \* This webinar series gives you access to the global epicenter of innovation where Kendall experts answer your questions on everything COVID-19 related
- \* This is a public event for KSA members and friends

## Power of Place Thought Leader Series

Monthly

- \* These fireside chats feature high profile guests discussing Kendall's latest collaborations with KSA President C.A. Webb

## New Networking Opportunities

Quarterly

- \* By popular demand, KSA will debut a series of small format networking experiences for employees of our 150 member companies in 2021
